| Therapy ACT   | OT Team     | Canberra    | (02) 6205 1277 therapyact@act.gov.au www.communityservices.act.gov.au/therapy_act | Children   | • Autism Spectrum Disorder  
• Development delays  
• Complex physical disability  
• Sensory Processing  
• Fine Motor  
• Equipment Prescription  
• Home Modifications  
· Assistance in loan equipment | ✓            | See Note Below |

**NOTE:** Therapy ACT are not able to see NDIS participants who self manage ALL their funds. As a government provider, they need to bill NDIS for the services provided directly. If NDIS participants want to access therapy services from Therapy ACT this is still possible, as they can have the components of their package provided by Therapy ACT, managed by the NDIS. They can also have other parts of their package self managed.
